FOR DONORS, FAMILY FOUNDATIONS AND CORPORATE PARTNERS

Sponsor a school. Change a whole building.

A full-strength program at one New York City public school costs $35,000 a year: every student in two full PE blocks, the Monday morning group for the kids who need it most, and a squad at the NYC Youth Cup wearing the school's name. Ten sponsored schools a year is the whole plan: $350,000, 3,000 kids.

~$25,000

You, or donors like you. Coaching, equipment, competition, Olympian visits and the Team USA pathway.

~$10,000

The school. From enrichment or PE funds, plus gym time and the principal's endorsement.

WHAT YOUR SPONSORSHIP DELIVERS

- **260–360 students** introduced to an Olympic sport across two 11-week cycles, inside PE.
- **The Monday morning group**, 7:15 AM all year, for 15–20 students who need a reason to arrive on time and a team to belong to.
- **20 students** at the NYC Youth Cup in their school's name, with jerseys, equipment and lunch on the day.
- **Visits from Olympic and world champions**, and a free Youth Academy season for any student who shows the desire or the talent.
- **An end-of-unit report** with baseline-to-final growth data, participation and student reflections.

WHAT YOU RECEIVE

- **The sponsorship in your name**, or in honor of someone you choose, for the full school year.
- **Your name on the sponsor backdrop** behind our events and press photos, on handballrising.com with a link, and in the program.
- **Two seats at Sponsors' Night**, opened by the kids and followed by our elite men's and women's teams.
- **An open door to the gym** any week, and three messages a year: thank-you, unit start, June report.
