Handball Rising Move. Belong. Believe.

JOIN THE HUNDRED · BUSINESS SPONSORSHIP · 2027–28 SCHOOL YEAR

100 New York businesses. 3,000+ New York kids.

No single gift does this. Only when a hundred New York businesses rally behind it, $3,500 each, can we put an Olympic sport, coached by national champions, inside the school day of 3,000+ public-school kids for a year. Each $3,500 is one class; a hundred together is the whole plan. **The first hundred to commit are the Founding Hundred, permanently.**

Where the money goes: what one class costs

- **Coaching.** Eleven 90-minute sessions for a class of about 30, run by our coaches with the school's PE teacher.
- **Equipment.** Handballs, pinnies and goals, left at the school.
- **Assessment.** Baseline-to-final skill measures for every student, and the end-of-unit report.
- **Competition.** The tournament that closes the unit, and selection for the Youth Cup squad.

What you receive

- **Your name on the backdrop.** On the banner behind our events and press photos, in programs, and on handballrising.com with a link to your site.
- **The window decal.** *Proud sponsor of Handball Rising*, for your window or door — the one thing your customers see every day.
- **The Hundred Card.** Offers among the hundred and the handball community, and our own spending pointed at sponsors first.
- **Sponsors' Night, for two.** One evening a year, in a sponsor's room. The kids open with a match, then our elite teams, 11× U.S. national champions, take the court. Drinks and small bites on us, with ninety-nine other owners.
- **Proof.** A June report with the growth data from the class you funded.

Two ways in. $3,500 a year, or $9,500 for three years paid up front — which carries Founding Hundred status, your rate locked through 2029–30, a place in the Sponsors' Night host rotation, and $1,000 saved against three single years.

Tax deductibility, stated plainly.
