EVERY AMOUNT BUYS SOMETHING REAL

$150 reaches one child for a full year.

A year of expert coaching, competition and Olympian access for a kid in a New York City public school costs about $150 all-in. Season One, the 2027–28 school year, is the first time we enter ten schools fully funded: 3,000 kids, $350,000, raised by March 31, 2027 so principals get a yes before they plan their year.

$150
ONE CHILD

One student's share of a whole school's year: a full program divided across the 300 students it reaches. Handball is a team sport, and so is the price.

$750
ACADEMY

One Youth Academy player for a full year: 24 weeks with champion coaches, jerseys and USATH membership included. A scholarship for a kid whose family cannot pay it.

$3,500
ONE OF THE HUNDRED

What one class costs. A hundred New York businesses at $3,500 each is every class in ten schools. Your name on our sponsor backdrop and website, and two seats at Sponsors' Night.

$35,000
A SCHOOL

An entire school for a year: 260–360 kids, two 11-week cycles, the morning group and a squad to the NYC Youth Cup. In your name, or in honor of someone.

WHERE THE MONEY GOES

To the gym, not an office. Coaches, equipment, gym time, competition and the Monday morning group. We are coach-run, with no administrative staff, no full-time office and minimal overhead. **More than 80% of last year's spending went directly to programs.**

Tax deductibility, stated plainly.
